Part of
STB Ex Parte No. 582

Dear Mr. Williams:

RISS/USSI (formerly "The RISS Companies") is an intermodal marketing company that is a major user of rail service in the U.S. and Canada. In the past, we have come before the Board on several occasions to express our opinion with regard to various railroad consolidations.

The purpose of this letter is to urge the STB to hold hearings in the matter of the consolidation of Canadian National and Burlington Northern Santa Fe. That is, if an application is filed with the STB by BNSF and CN to consolidate their respective properties, then we at RISS/USSI support the Board conducting proceedings to consider their application.

Sincerely,

Thomas R. Brown
President
